

Annual Statement of Account

Your personal Annual Statement of Account is mailed to your home address in early December. The purpose of the annual statement is to provide you with information pertaining to member contributions, accumulated interest, and creditable service. This also provides you with the opportunity to verify your records and use the information for retirement planning.

The statement includes your date of birth, account number, previously taxed contributions, non-taxed member contributions, total interest, and the balance as of the end of the fiscal year, which is September 30. The Creditable Service by Category section breaks out the member's service credit by membership and prior service. **All statement information is subject to later audit and correction.**
